2019 Paving Project along Trumbull Avenue in the City of Girard, Trumbull County

Project No. TRU-Trumbull Avenue; PID 104643

The City of Girard proposes to mill and resurface 0.75 mile (3,954 feet) of Trumbull Avenue from U.S. Route 422 to the City of Youngstown. Additional improvements include partial-depth pavement repairs, curb and sidewalk replacement, installation of new guardrail, curb ramp upgrades to meet Americans with Disabilities Act (ADA) standards, catch basin adjustments, manhole cover replacements, new traffic signs and the application of center/stop/crosswalk lines and other pavement markings, as necessary throughout the newly paved street.

During project construction, a minimum of one (1) 10-foot lane of traffic shall be maintained on Trumbull Avenue in each direction on the existing pavement and completed pavement.

This transportation improvement is scheduled to begin construction in fall 2019. The estimated construction cost is approximately \$474,216.
